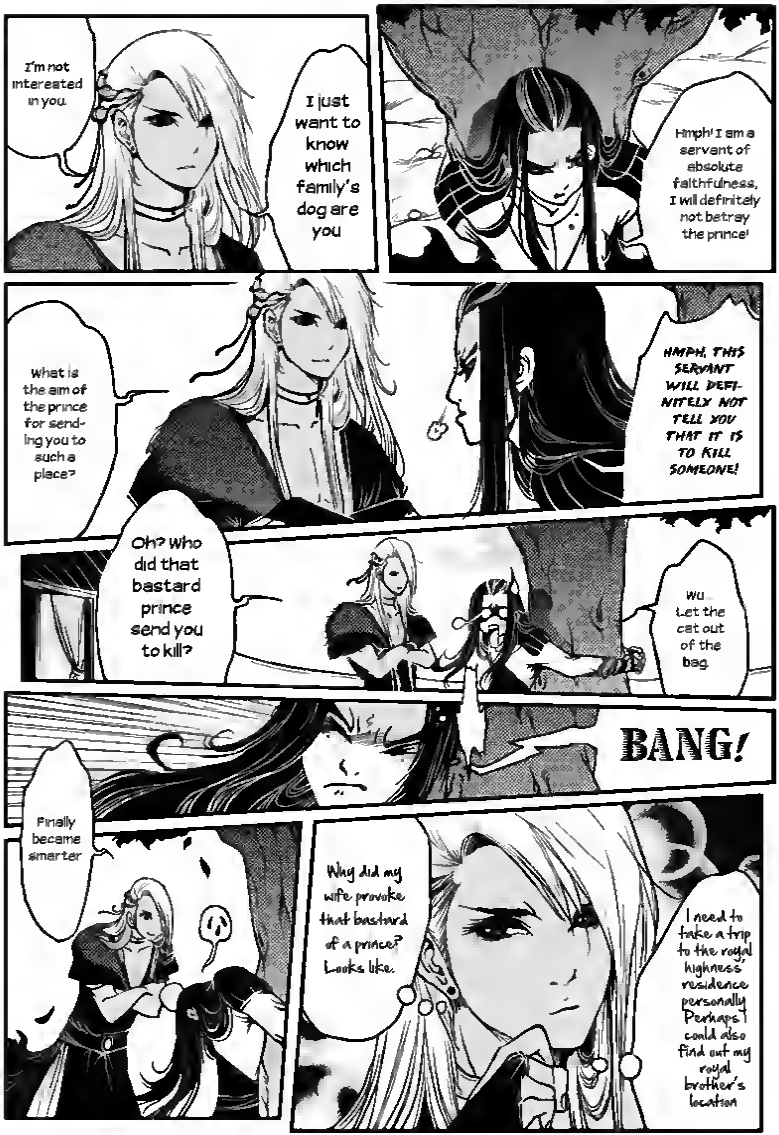
NOT... NOT GOOD!
THE BOSS HAS BEEN TURNED TO STONE!
What? How can a person turn to stone?
Oh? What's with all the excitement? Is there something to see?
CAN'T... CAN'T BE! LET'S GO... TAKE A LOOK!
Hmph!
Is this that woman's plan to lure me away? Hmph. Trying to divert my attention in order to escape? You're really looking down on my IQ!

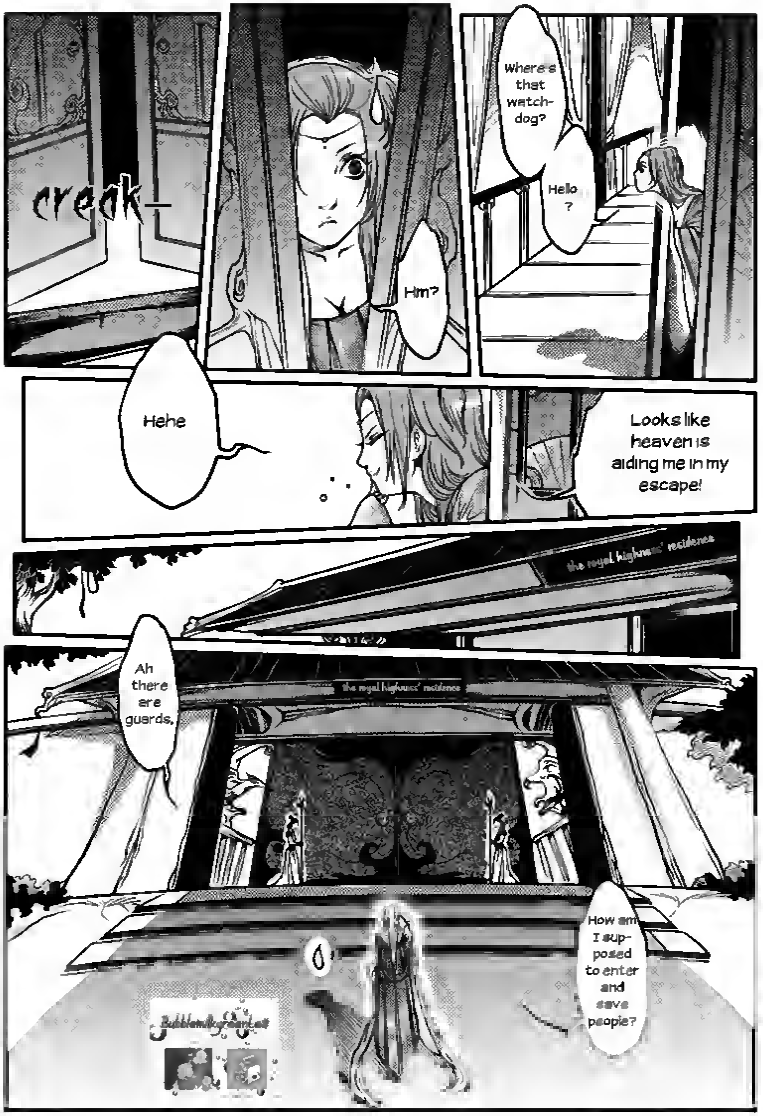
T/N LITERALLY TO LURE A TIGER OUT OF ITS CAVE. TO USE TRICKS AND LURE YOUR OPPONENT AWAY FROM HIS ORIGINAL POSITION

Hm?
tap
Who's there?
Oh. Trying to spring a surprise attack on me? This lady's leg is so slim.
WHAT A SMOOTH AND FAIR LEG!
This time it's a ploy to use a beautiful leg to lure me out?! Hmph! I'm not falling for that!
HMPH! THIS LONG-LEGGED DEMON! HAVE A TASTE OF MY ARROW!
LET'S SEE WHAT ELSE YOU WILL DO TO SEDUCE ME!

BONK
WHICH LITTLE IMP STOLE THE PORK LEG FROM THE KITCHEN TO PLAY?
CRUNK
Let go of me! Bastard! You actually used such a ruse against me!
DO YOU KNOW WHO I AM?! THIS BRAT, ARE YOU TIRED OF LIVING ALREADY?



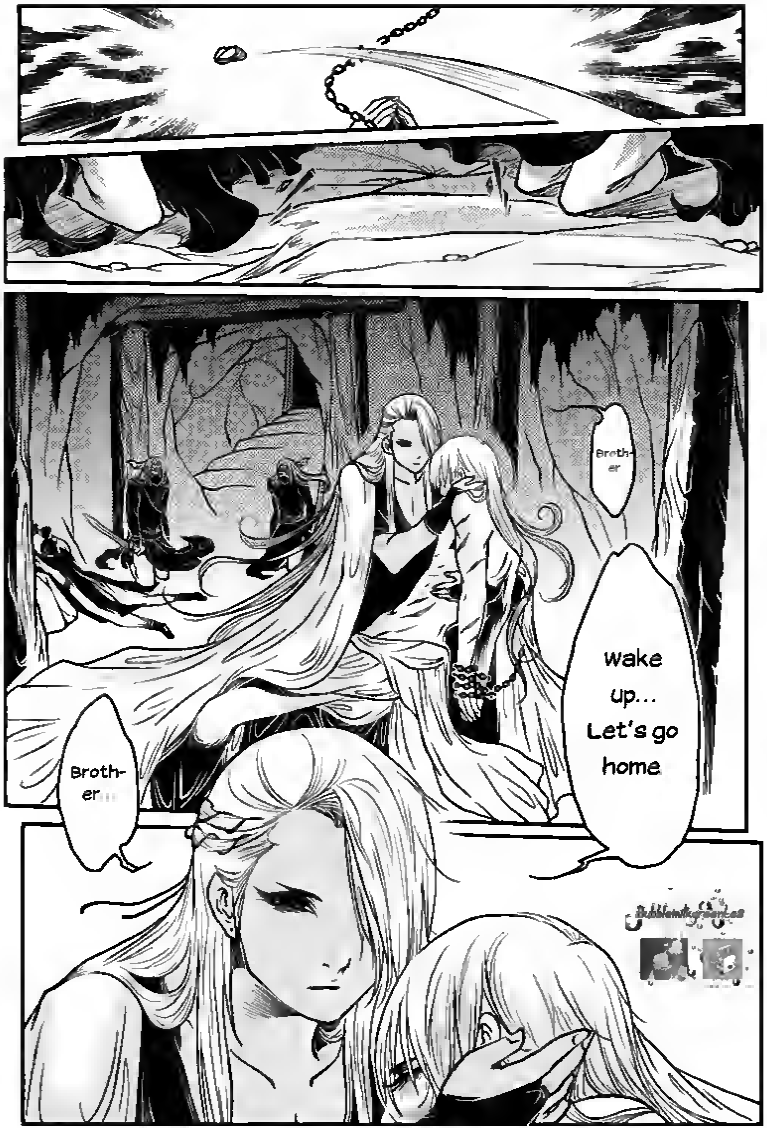
I'm not interested in you.
I just want to know which family's dog are you
Hmph! I am a servant of absolute faithfulness, I will definitely not betray the prince!
What is the aim of the prince for sending you to such a place?
HMPH, THIS SERVANT WILL DEFINITELY NOT TELL YOU THAT IT IS TO KILL SOMEONE!
Oh? Who did that bastard prince send you to kill?
Wu... Let the cat out of the bag.
BANG!
Finally became smarter
Why did my wife provoke that bastard of a prince? Looks like.
I need to take a trip to the royal highness' residence personally. Perhaps I could also find out my royal brother's location



creak—
Hm?
Where's that watch-dog?
Hello ?
Looks like heaven is aiding me in my escape!
Hehe
the royal highness' residence
the royal highness' residence
Ah there are guards.
How am I supposed to enter and save people?

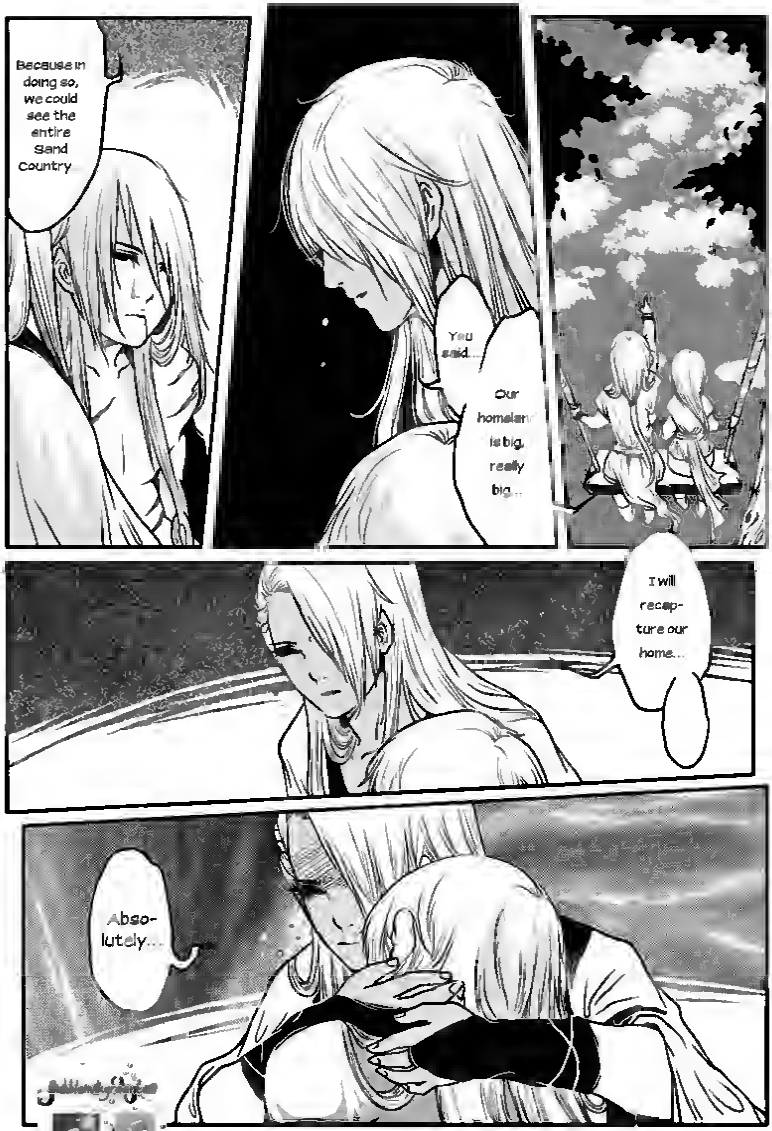
T/N: PUNS HERE. FIRSTLY ARE "BURY" AND "MARY" ARE HOMOPHONES IN CHINESE. SECONDLY XIAO QIANG CAN BE A NAME AND IS SLANG FOR A COCKROACH.
I'll catch a cockroach and after stepping him to death...
SELLING MY BODY TO BURY XIAO QIANG!
Selling my body to bury Xiao Qiang!
How pitiful!
T/N: Another pun here cuz 周星馳 is a reference to Stephen Chow.
You're such a kind person, we'll buy you into the royal highness' residence as a steward then!
thank my lucky star!
The prince has returned! Quickly open the doors and welcome her!
I'm gonna find Xiao Qiang!
T/N: If anyone watches Stephen Chow's movies you'll know they're slapstick films. The scene on page 6 is from this part of the show. 唐伯虎點秋香 (Flirting Scholar) https://www.youtube.com/watch?v=41WF7HAewcc Xiao Qiang = cockroach = her most cherished pet
Welcome home, Your Highness!
I'm an idiot!

crack
This lad fainted again!
How can anyone who offends the prince come to a good end? The prince ordered us to kill him after we're done with the torture!
He's merely a defeated country's emperor-turned-slave, yet he still carries such a wishful thinking of restoring his country? Hmph! What right do you have!
To kill such a pretty boy, I can't do it
Anyway it seems like the poison is taking effect, it shouldn't be long!
You useless thing! Hmph! Move aside and I'll do it!



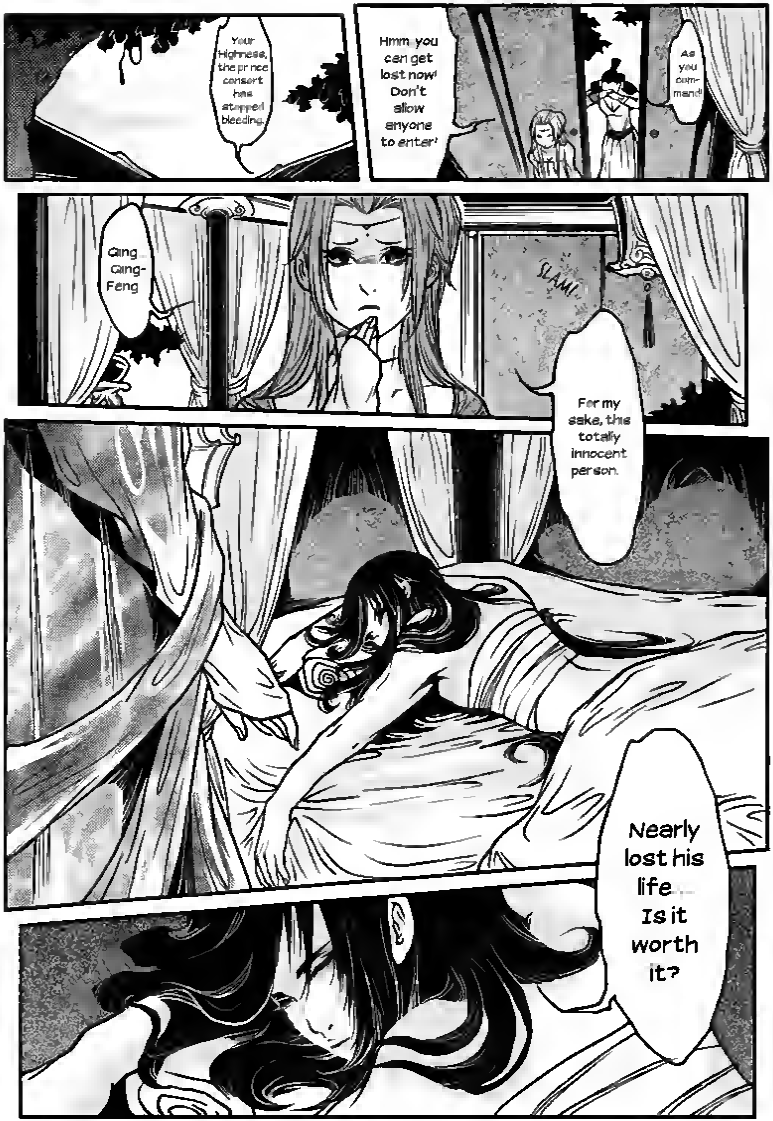
Broth-
er
wake
up...
Let's go
home
Broth-
er...

Do we... Still have a home?
Seven days
We will reconquer our home! I guarantee it.
Do you still remember that swing we loved to play on during our childhood?
We would swing it to the highest



Because in doing so, we could see the entire Sand Country
You said...
Our homeland is big, really big...
I will recapture our home...
Absolutely...

AHH-
Your Majesty
Bastard prince!
I'M GOING TO...
TEAR YOU INTO PIECES!



Your Highness, the prince consort has stopped bleeding.
Hmm, you can get lost now! Don't allow anyone to enter!
As you command!
Qing Qing-Feng
SLAM!
For my sake, this totally innocent person.
Nearly lost his life... Is it worth it?

This debt from saving my life, how can I ever repay it?
That Is worth consider-ing...
How about pledging to marry him?
This lowly one kowtows to Your High-ness!
THIS... THIS VOICE...!
YOU! YOU! WHAT IS THIS STUPID FREAK UP TO NOW? I WON'T ALLOW YOU TO HURT QINGFENG AGAIN!

Reporting to Your Highness, this servant is incompetent, and has come forward to humbly apologize...
Your Highness has ordered this lowly one to kill those few people from the Sand Country but this lowly one is truly unable to do it
Should Your Highness wants to kill or slice this lowly one, this lowly one will have no complaints
W-W WHAT ARE YOU ACTING FOR? WHAT KIND OF TRICKS ARE YOU PLAYING THIS TIME!
KILL YOU?! HUMPH! KILLING YOU IS LETTING YOU OFF TOO EASILY!
Your Highness, please spare me...

You
Are the prince?!
